

## **IMPORTANT NOTICE REGARDING YOUR ACCOUNT**

Your customer proprietary network information (CPNI) includes the types of services you purchase, how you use them and the related billing of those services. Protecting the confidentiality of your CPNI is your right and our duty under federal law. We are required to inform you that you have a choice in allowing us to use CPNI about the services you have purchased from MTCO to offer additional products and services to you. We could use your customer information to advise you of MTCO products that may be of interest to you, like TV packages or High-Speed Internet, even if you do not currently subscribe to any of these services with MTCO.

If this use of your customer information is acceptable, then no further action on your part is required and your consent to this use will be inferred after thirty (30) days. Even if you do not choose to opt out, MTCO will never sell, share, or distribute your personal identifiable information to any person or company.

If you wish to have the use of your CPNI by MTCO restricted, please contact a Customer Service Representative at 1-800-859-6826. By opting out, you are restricting MTCO's use of your customer proprietary information to market additional MTCO services to you. You may still get marketing from us, but it will not be generated by your CPNI. Please note that your decision to opt-out will not affect your current services and is valid until you decide to change it.

Thank you,  
MTCO Communications
